

LANA AMR

Mansoura, Dakahlia, Egypt | +201019920742 | lanaamr50@gmail.com

PROFFESIONAL SUMMARY

Results-driven professional with expertise in artificial intelligence and machine learning. Proficient in Python and various machine learning frameworks, demonstrating strong analytical skills and effective collaboration. Committed to advancing technology through innovative solutions and impactful contributions.

EXPERIENCE

Machine learning trainee

Mansoura university | Mansoura, Egypt

08\2025 – 10\2025

- Debugged and improved existing code base for efficiency and readability.
- Analyzed large data sets for insights into consumer patterns
- Researched and implemented appropriate ML algorithms and tools.

Web development trainee

SEF academy | Cairo, Egypt

02/2025 - 08/2025

- Resolved technical issues to improve website performance
- Developed static web pages using HTML, CSS, and JavaScript for a smoother user interface.
- Used design expertise to create high-quality animations for diverse websites.
- Improved user experience by enhancing website layout and design.

SKILLS

- Front-end web development
- Machine Learning
- Generative AI models
- Large language models
- Generative models
- Prompt Engineering
- RAG techniques
- data processing
- Data visualization

EDUCATION

Bachelor of computer science: artificial intelligence, 09/2023 - Current Mansoura university

LANGUAGES

- English Fluent
- Arabic Native

CERTIFICATES

- generative AI Information Technology Institute (ITI) Issued Sep 2025
- generative AI NVIDIA Issued Sep 2025
- HCIA-AI Huawei Issued Oct 2025
- Front-end web development SEF Academy Issued Oct 2025
